AUREOLE

5040 Joy Road
Detroit, Michigan

As we look with hope and faith to the future, we must not look back, but keep our eyes ever ahead. However, we will always remember the buildings on Joy Road and West Grand Boulevard. Searching the future, we find a dream-turned-reality in the two new high schools which are under construction at this time.

The old buildings served us well. The new structures will serve us better. With God's grace and blessings, Lutheran High Schools, East and West, will continue to grow--training young people for Christian Living.

"Search the Scriptures, for in them ye think ye have eternal life, and they are they which testify of Me."

Our Theme . . .

We, the Aureole Staff, have chosen for our theme this year the thought of searching

We feel that a true Christian's life is one of constant searching . . . always looking ahead, striving for more knowledge . . . for the furtherance of Christ's kingdom on earth . . . for the betterment of ourselves and our fellowman. With our eyes ever on the cross of Christ, ever searching for truth and wisdom.

And so we begin our Search

Dedication

For his wonderful Christian example, his fine sense of humor, and the guiding and helping hand he has always given us, his students, we dedicate this our 1957 Aureole to Mr. Fred Kirchoff. In this way we hope to convey partially our thanks for everything he has done to enrich our lives at Lutheran High both morally and spiritually. His understanding, patience and genuine interest in our activities has helped us all immeasurably. May God richly bless him through all his life and grant him the peace and satisfaction that comes from a life of unselfish service.

Fred Kirchoff

For Truth

"If God held in his right hand all truth and in his left nothing but his ever ardent desire for truth, even with the condition that I should err forever, and bade me choose, I would bow down to his left, saying, 'O Father, give me that: pure truth can be but for thee alone.' "

All through his life, man is constantly searching--for fun, happiness, love, success, truth, wisdom, knowledge, pleasure, and peace. We, the members of the 1957 graduating class are no exception. We entered Lutheran High as freshmen with the highest hopes and dreams.

Our first year was started out with a bang by the freshie mixer at Nazareth Lutheran Church. Soon after, we found ourselves busily at work with the Fall Fun Festival, which was held at Mt. Calvary Church. Our assembly, "Tell Me A Story", is one which will always be remembered.

As Sophomores, we were right in the middle of things. Games, parties, and other activities brought us a wealth of pleasure. Among our projects was our Arthur Godfrey assembly and our outing at Middle Rouge Park.

Our junior year was upon us before we knew it. The assembly, "Babes In Toyland", was the best ever and our thrilling mystery "There's Always A Murder", was enjoyed by all.

Now, as seniors, after a successful plan, "You Can't Kiss Caroline", we are looking forward to Commencement, Baccalaureate, Class Day, and most of all, the banquet.

Yes, we searched and we have found, here at Lutheran High, fun, happiness, love, success, truth, wisdom, knowledge, pleasure, and peace, but soon we must go out into the world to continue our search with the memories of our high school days and with the wisdom we have gained here to guide us.

STUDENT COUNCIL BOARD

The Student Council is the voice of the students and it links the faculty and student body together. Its most important functions are: running the lounge, sponsoring the magazine drive, and sponsoring and paying for professional assemblies. This year they initiated the Safe-Teens into D. L. H. S. Also, this is the first year that the council has required clubs to have a charter.

During the past year, the band has come a long way. The band, with its fifty-one members, is the largest it has ever been, taxing the facilities for music at 5040 Joy Road.

The band made several appearances at basketball and football games, adding much to these athletic events. On February 23 and March 2, the group gave two very successful spring concerts at Bethany and Jehovah Lutheran Churches, respectively. This year, the Fort Wayne Band was host to the Detroit and Cleveland Lutheran High School Bands. The 1957 Tri-City Band Festival was held on March 28-30.

The Band is supported by the Boosters Club which buys all their new instruments and uniforms.

FRESHMEN

The Leopardettes of D. L. H. S. is the pep club. The membership is limited to girls, and most of the girls at D. L. H. S. belong to this club. Therefore, it has the distinction of being the school's largest club.

The Leopardettes can be seen cheering at basketball and football games, forming the core of the cheering section and promoting good sportsmanship among the students.

The club sponsors the cheerleaders, who are chosen by the club. This year, the Leopardettes gave their annual Mr. Football and Mr. Basketball parties, held at St. Thomas--St. Peter's and Trinity Lutheran Churches.

A fairly new organization around school is the Hi-Steppers. This year was really the first chance they have had to get organized. Their theme is "Take my feet and let them be, swift and beautiful for Thee." Using this theme, they chose their emblem, which can now be seen on their school sweaters. They have pleased many this year with their performances in precision marching and rhythm steps.

Senior Choir

Senior Choir directed by Mr. L. Franzen

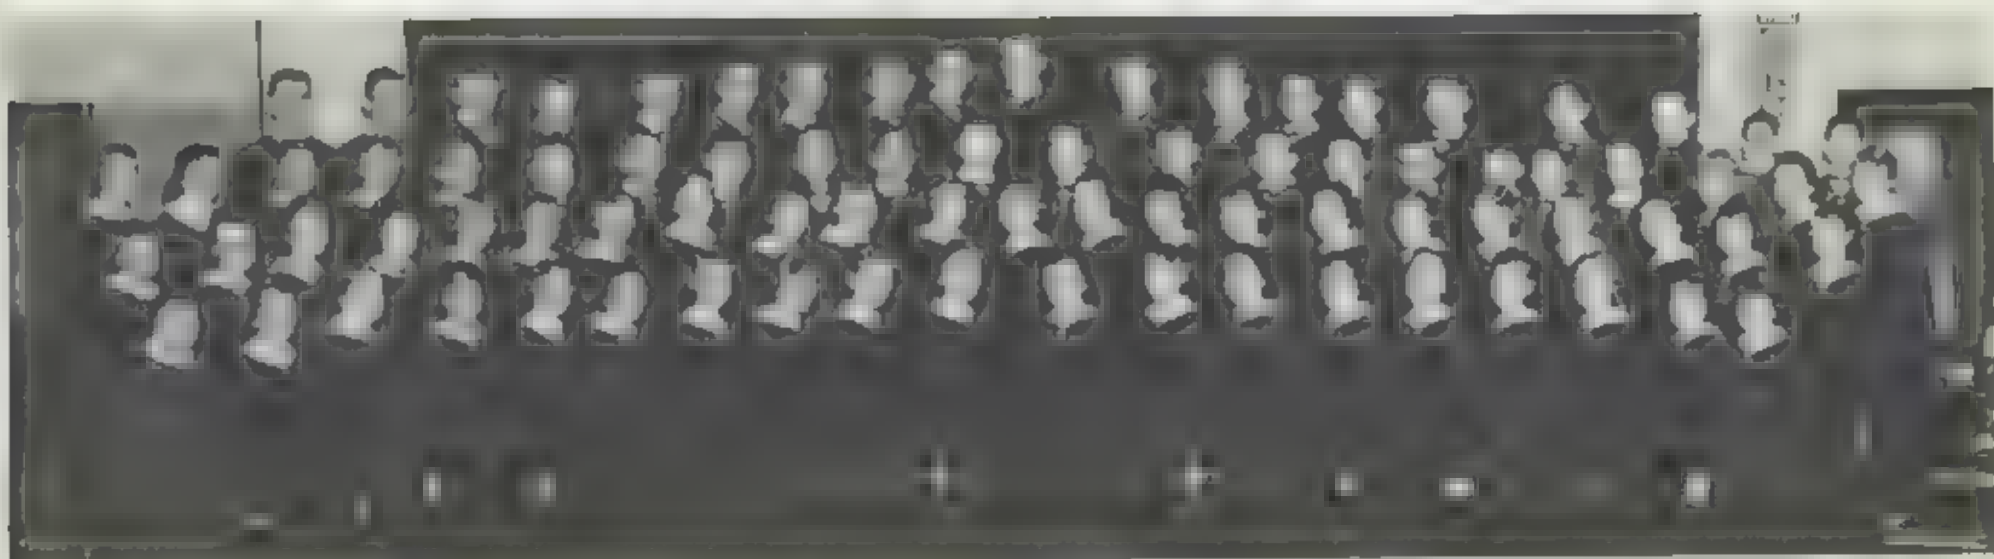

This year the Senior Choir has made more appearances than ever before in the group's history. They sang on several television shows, including Ed McKenzie's Saturday Party and a WXYZ children's show. They were asked to sing on a special Christmas television show, featuring four Detroit area choirs. This is an indication of the popularity of the group.

They successfully gave their annual Christmas Concerts at Bethany and Covenant Churches. On March 31, a Spring Concert was given at St. Peter's Church, East Detroit. For this concert, the choir performed songs from all of the church seasons. Again this year, both of the choirs took part in the Metro-Suburban Festival. This is an annual event in which the choirs of the schools in the Metro-Suburban League all participate. As the final annual event of the season, the Senior Choir conducted their tour. Because it will be too difficult next year for both Lutheran High Senior Choirs to go on tour, this year's tour was the last.

The Junior Choir is made up of students chosen from the freshman and sophomore classes. These boys and girls work hard to learn correct singing techniques and the songs which are sung in Senior Choir. These include standards such as "Benediction" and "Praise to the Lord".

This school year, the Junior Choir made its annual Christmas Concert appearances with the Senior Choir. On April 19, they split up to form two choirs which sang at the Good Friday Services of the Vogue and Main Theaters. The Junior Choir often sings in chapel, adding much to these services.

This club was organized to help interested people find out more about the teaching ministry as a profession. They have had several movies, slides, discussions, and speakers. One of the topics up for discussion was P. T. A.'s and how they work. Several members have visited parochial schools for a day, sat in on classes, observed teaching methods, and reported back to the club. This was all a part of the program in finding out more about teaching as a life's work.

The Rifle Club is made up of people who are interested in target shooting and who want to know how to do it safely. In meetings and discussions they learn the various parts of a rifle and how to take care of a gun. Then and only then, after careful instructions, do they go to a shooting range to practice their aim. Each member takes care of his own rifle as the club does not supply any.

The 1956 football season proved to be another successful year for the Leopards of Lutheran. The beginning of the season found the Leopards in a hole. Their first game was lost to Troy 26-20. Their work for the season was cut out for them. The Leopards showed that they were equal to the task by winning six of the last seven games and tying the other. As a result of this splurge, the Cats found themselves perched on top of the league again with Inkster Roosevelt.

The 1956 football season proved rough going for the Lutheran Junior Varsity. The highlight of the season was their victory over the South Lake Reserves by the score of 6 to 2. The 1956-57 season has been one of the roughest in Lutheran's history. Most of the losses were at the hands of such highly rated teams as Harper Woods, Inkster Roosevelt, Catholic Central, and Inkster. However, Lutheran looked very impressive in its losses. Near upsets were ruined by Harper Woods in the last quarter and Inkster in the last nineteen seconds.

The Leopards provided many thrilling victories also, ranging from one-point edge over Centerline to the 26 point romp over St. Alphonsus. They satisfied a large audience when they beat Cleveland 66-57 in the Homecoming game.

The Junior Varsity team this year was made up mostly of freshman. The team was under the able direction of Coach Aumann.

Even though the record was not spectacular, the team still displayed a lot of hustle and good Christian sportsmanship.

The team has a great potential for the future for the two new schools.

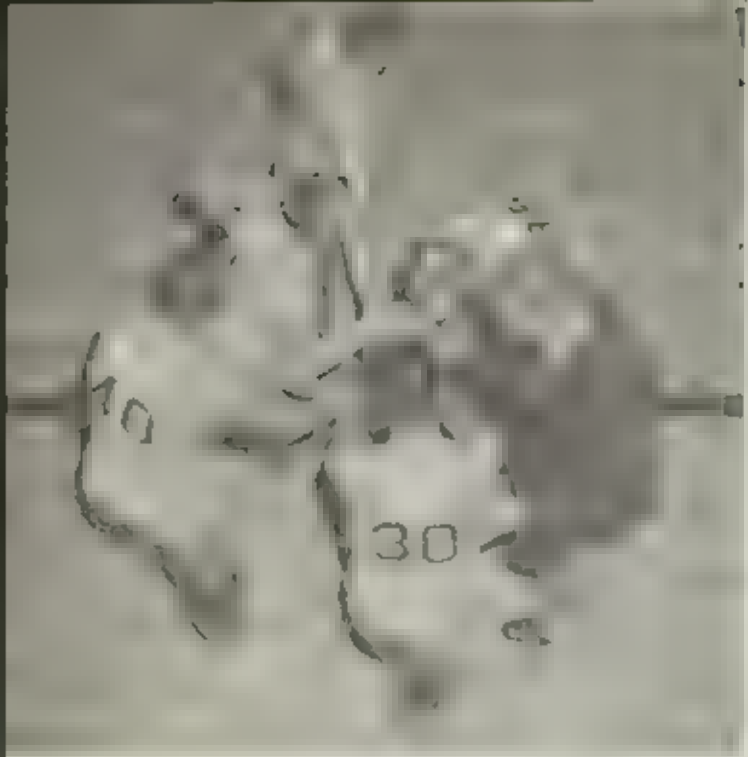

Why don't you come and get it?

D. Krause picking off rebound against Cleveland.

The 1956 Cross Country squad as a team was well balanced but did not have the punch to win the close ones. Competition crosscountry is getting keener as more schools are adopting this fall sport. Lutheran won four of nine meets, placed fourth in the Clarenceville Invitational with nine teams competing and placed sixth in the Regional with eleven schools competing. Co-Captains on this year's team were Marvin Laurente and Jim Berlinski.

Along with the lettermen are a number of newcomers who will be good prospects for the teams of the two new Lutheran High Schools.

Queen Leann Long.

On October 6, 1956, the Second Annual Homecoming Game was held. Approximately 4,000 spectators were on hand to witness the exciting battle between Detroit Lutheran High and Cleveland Lutheran High. However, though the game was good, half time held an equal attraction, for during that time the crowning ceremony took place. The Band, Majorettes, and Hi-Steppers led the royal procession followed by the float carrying the charming and attractive Queen and her Court. A member of the Detroit City Council, Mary Beck, was on hand to crown Miss Long. Last year's queen Nan Gilson, was there to relinquish her title to Leann. After the crowning ceremony Queen Leann and her six pretty attendants took their places on the platform erected for them and watched the remaining half of the game.

Ground Breaking

Part of the large audience at the West Side ground breaking service.

Two of the most exciting events of the school year were the East and West Side ground breaking ceremonies. The East Side ground breaking took place on September 16, 1956 and the West Side ceremony followed one week later on September 23. The act of ground breaking was the start of the building program for the two new Lutheran High Schools in Detroit. The students, of course, are happy to be going into brand new schools, but are sad to be separated from their friends living on the other side of town. The Senior Class of 1957 will be the last class to graduate from Detroit Lutheran High School.

There's satisfaction in meeting a challenge

Working at Edison, there's challenge in the very air you breathe. It's logical. This is a growing company in a growing industry. And growth always creates problems. This is also a pioneering company, constantly challenging the accepted ways of doing things.

Challenge, opportunity, progress . . . they're like steps. The steps that lead to a satisfactory career. And advancement within the company is the standard practice rather than the exception.

We have heard it said that Edison is a good place to work. True! One of the reasons that makes it so—particularly for high school graduates entering the business world for the first time—is that Edison people are friendly, sympathetic and helpful.

If you reside in metropolitan Detroit, we invite you to visit our Employment Department, 2000 Second Avenue. Elsewhere, job application forms are available at any Edison customer office.

"There's a girl I'd like to know"

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained by friendly, understanding supervisors and today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job you want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting telephone jobs available to high school graduates.

In Conclusion...

In all probability this 1957 Aureole will be the last book to originate in the Publications Room at 5040 Joy Road. Though our sentiments are many and mixed when we think of the hours spent in this small room we are sure the new Lutheran High Schools will offer better facilities for next year's staffs.

We cannot leave without expressing our thanks to all who helped create this book. These include the students who spent many, often long hours, planning layouts, writing copy, securing advertisements, selling subscriptions and taking pictures, the entire faculty whose co-operation was essential, the H. A. Powell Studios who helped us greatly, by supplying numerous prints and expert photography. Mr. Al Weatherly and son, our printers, who gave us friendly and expert advice, information and directions, and finally Mr. Marilyn Staschke, our editorial advisor, and Mr. Kurt Biedermann, our business advisor, who encouraged and spurred our efforts on, many times giving us the added boost which enabled us to complete our book.

It is our fervent prayer that the wonderful spirit and co-operation of the students, faculty and all others concerned will follow the students of Lutheran High to their new locations.

May your satisfaction be as great as ours has been.
